I, BEN O. TAYLOR, of the City of Victoria in the Province
of British Columbia, Motor Driver, make oath and say:-

1. I am the owner of a one-fourth interest in Lot One (1)
Block Three (3) Plan 1424, situate in the District of
Saanich in the Province of British Columbia and subject
to taxes which, with interest, amount to approximately
\$34.85.

2. I enlisted in His Majesty's Military Forces on the
4th day of December 1915 and was engaged on active service
in England and abroad in connection with the war since
that date, and have not been discharged from His Majesty's
Forces.

3. Owing to circumstances attributable to the said war
including sickness caused by military service, my earnings
have been considerably reduced, and my property has depre-
ciated in value causing me financial loss, and owing to my
being away from my business on active service, and since
my return, I have not been able to adjust my affairs so as
to enable me to raise enough money to pay the above mentioned
taxes, and the said lands are about to be sold for taxes
and such sale would result in undue hardship to me.

4. My co-owners have not paid the taxes on this land and I have sforetime paid the full amount of taxes in respect of the property, and I am desirous of obtaining relief in order that I may be enabled to pay the full amount of the taxes if possible at some future period, in order that I shall not lose all the moneys expended by me in respect of the property.

CLOSING OF SALOONS AT 9.PM.

Sir:-

I have the honour, by direction of the General Officer Commanding, Military District 11. to state that as you are no doubt aware all Saloons, Bars, Bottle Stores and places where intoxicating liquor is supplied have for a long time past been placed "Out of Bounds" for all troops in this District between the hours of 9.PM. and 12 noon.

2. It has been pointed out that the result is somewhat aggravating to the soldier, especially to men recently joined, because of the law allowing their friends in civil life to be served up till 10.PM.

3. On donning His Majesty's uniform a man gives up much of his civil liberty in order to comply with the necessary rules of military discipline. It is considered undesirable that men volunteering to serve their country in this time of emergency should be made to feel that they are called on unnecessarily to come under any restriction which does not apply to civilians.

4. A soldier happening to be in a Bar at 9.PM. sees civilians being served while he is refused, and it is hard to convince him that this is not a grievance and an unnecessary punishment on him for enlisting.

5. It is therefore being submitted to all the City & Municipal Licensing Boards and to the Provincial Authorities that it is considered desirable to make the closing hour 9.PM. instead of 10.PM., and it is respectfully requested that you bring the matter before your Licensing Board and will kindly advise me as early as possible what action if any is intended to be taken.

I have the honour to be,
Sir,
Your obedient servant,

Fred. W. Bullock

December 28th 1916.

From The Officer Commanding,
88th Regiment Victoria Fusiliers.

To The Reeve and Council,
Saanich, B.C.

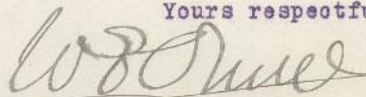

Dear Sirs:-

The 88th Regiment Victoria Fusiliers has orders to mobilize a Reinforcing Company for Overseas. This Regiment has already contributed nearly three Battalions and has drawn its men and Officers entirely from Vancouver Island districts.

It is very desirable that this Company should be raised at the earliest possible moment, for the sooner it is up to strength the greater use it will be. If there are any men of military age in your employment who are fit for service I would be very grateful if you would appeal to them to do what is obviously their duty at the present moment, and if they determine to do this duty I feel sure that there is no Regiment more thoroughly representative of Vancouver Island than the 88th and we would be glad to receive their applications for enlistment at our Headquarters here.

I am,

Yours respectfully,

Captain.

O. C. 88th Regiment Victoria Fusiliers.
